

TREASURE BAGS

**A Creative Approach
to Storytelling**

LINCOLN CITY LIBRARIES
Lincoln, Nebraska

www.lcl.lib.ne.us

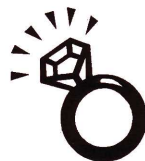

LINCOLN CITY LIBRARIES is proud to offer a unique experience for caregivers and small children. Treasure Bags are designed to entertain and educate children ages three to five years old. These bags were developed with grant money from the Nebraska Library Commission.

Each Treasure Bag is developed around a specific theme. Included in the large bag are three to five books, a puppet or three dimensional object, a flannelboard or fold-and-tell, and fingerplays. The caregiver can use any or all of these in their presentation.

Treasure Bags are housed at Gere Branch Library located at 2400 South 56th Street and can be checked out for one week.

Training sessions for caregivers are available. These sessions are encouraged because new approaches are demonstrated and ideas are shared.
